

DIRECTIONS: We are here!!

By train:

There is a regular train service from Fenchurch Street (25mins) or West Ham (10 mins) to **Upminster**, which is in zone 6. You can pick up a taxi from outside the station, or take a 22 bus, which will drop you outside the airfield on request. A very pleasant bike ride to the airfield is also possible; it's a 12 minute ride over 2 miles, through winding lanes. But take care as cars can drive fast around these roads.

From Upminster:

At the traffic lights, go straight on with the church and playing fields on your right. At the very end of the road, turn right towards Aveley. At the mini roundabout, turn left. You will pass a farm shop, a gym and a paintball centre. Get ready to turn right into the airfield when you see a road sign denoting a sharp bend, and look for the café signs and a row of houses. Please park in the car park and walk over to the viewing area to meet us.

By car: from the M25/A13 (Junction 30):

- Exit at Junction 30
- Take A13 to London
- Take first Exit, signposted for Rainham/Aveley
- Take the B1335 for Rainham/Aveley - third exit from the roundabout
- Straight over the next roundabout
- After 400 metres, turn right onto the B1335 signposted for Aveley
- At the next roundabout (2/3 mile), take the first exit for Upminster
- After exactly 2 miles (past Warwick Lane), turn left just after the cottages at the entrance to Damyn's Hall Aerodrome

By car: from the M25 (Junction 31):

- Exit at Junction 31
- Take the 3rd exit sign posted to Aveley
- Follow road up to Aveley and turn left at the mini roundabout.
- After about 100m turn right at the mini roundabout with a Petrol station on the corner
- Drive up the road to a big roundabout
- Go straight over sign posted to Upminster.
- After exactly 2 miles (past Warwick Lane on your left), **turn left** into the airfield just after the cottages at the entrance to Damyns Hall Aerodrome.

Please note to take care when driving into or out of the airfield, as there is a sharp bend in the road and cars can come round the corner quite fast. Have a safe trip!
